Message from Honourable Jim Prentice Premier of Alberta

On behalf of the Government of Alberta, it is my pleasure to welcome board members, city councillors, and staff to this Grand Celebration marking the 100th Anniversary of Wood's Homes.

The Government of Alberta is committed to working with partners like Wood's Homes to support young people in reaching their full potential.

As a multi-service, non-profit children's mental health centre, Wood's Homes is well-recognized for providing quality care to children, youth, and families. Wood's Homes is also locally and nationally known and respected as a knowledge and training centre in the field of children's mental health. Above all, your organization is renowned for building trust and caring for young people who feel they have nowhere else to go.

This anniversary marks a commitment to quality care and innovation of which you can be proud. Thanks to your support, over the past 100 years the lives of thousands of children have been positively impacted by your work and now have hope for a better future.

I am a great believer in the vast potential of this great province. I am confident that we can meet the challenges ahead and leave a positive legacy for Alberta.

Jim Prentice
Premier of Alberta
